WELCOME TO POOL HOUSE SCHOOL.

Pool House Community Primary School opened in September 1980. It was built to serve the Tanterton area of Ingol. It is a bright and welcoming school which provides an excellent standard of education and care for families in the area.

Historically we have been a relatively small school but numbers on roll have risen significantly over the last five years. However, children are still taught in classes of no more than 25 and often in small groups. We are also able to provide well for the individual needs of pupils and respond quickly to any changes in those needs. All staff know the pupils individually and are able to support them well throughout the day because of this.

The school uses the space within its premises to the pupils' maximum benefit. All of our classrooms are fitted with interactive whiteboards, all children have access to individual laptop computers and children also have access to IPads. Our infantclassrooms even have an outdoor classroom attached to them.

We are lucky to have sizeable grounds with three tarmac playgrounds and large playing fields. On one of the fields has an adventure playground (Playdale) which the children use at break times. On another field we have a new (2022) climbing frame.

The school has a nursery on site catering for children from age 2 to school age. The nursery is managed independently and is regulated and inspected by OFSTED to ensure good provision is maintained at all times. The nursery is self contained and has its own outdoor provision.

The school was last inspected in October 2022 when we were judged to be a good School. The report is available on the OFSTED website or you can see a copy in school.

We always welcome visitors and you may come and look around the school, meet the staff and the children and discover the warm, friendly atmosphere of our school.

Appointments are not necessary, visitors are welcome at any time.

Mrs J M Cole

Headteacher

MISSION STATEMENT

Pool House School nurtures, by example, a caring attitude in our young people and a desire to be involved in the world around them.

We begin to prepare them for the challenges of life that will face them in the years ahead.

AIMS OF THE SCHOOL

At Pool House, emphasis is placed on the child's 'all round' development. In particular, we aim to promote our children :-

* To be enthusiastic, cheerful and sensible
* To work hard to achieve all that they are capable of in every aspect of their life
* To become literate and numerate and to learn about the world they live in
* To develop thinking and study skills to allow them to carry on learning throughout their life
* To show independence and take responsibility for themselves and for others
* To care about other people, show consideration of their needs and treat everyone equally and without prejudice
* To know how to behave appropriately, acting with courtesy, common sense and self discipline at all times
* To follow all our rules regarding health and safety.

Admission to Pool House C P School

- **First Admissions to School**

The Local Authority sets down our admissions policy and a copy can be obtained from the Education Office. Children may start school at any time in the school year in which they turn five but we prefer to start the children in September.

If you are interested in taking up a place for your child at Pool House you are invited to call in, see the pupils working, meet the Head teacher and find out more about the school.

When children come to school they have had very different experiences and are at different levels. We give our younger children the chance to acquire and develop a range of skills, knowledge and concepts through practical activities as well as more formal learning. Children learn through purposeful play and we give them the opportunity to experience a selection of materials, activities and equipment. This helps them to develop socially, physically and academically.

The school also has close links with Pool House Under 5s Nursery who operate in the building as a voluntary provider of pre-school care.

To help our children to settle we have an induction programme to help the children adjust easily to school life. As a result, we have very few tears in our reception class.

- **Joining the school during the school year**

If you move into the area and require a school place your child can start as soon as is convenient providing we have a place available in their year group.

If you would like a place at Pool House for your child who is currently attending another school you should discuss the matter with your child's current Head teacher as well as ourselves.

- **What if I'm turned down for a place.**

In exceptional circumstances we may have to turn down your request for a place. If that is the case you have the right to appeal and we will give you the necessary information at the time.

SCHOOL TIMES

School Hours

School gates open at 8:50am

Morning
8.45 a.m. - 12. 10 p.m.

Afternoon
1.10 p.m. - 3.15 p.m.

The time per week spent on teaching excluding lunch breaks and registration is:
32.5hrs per week including Lunch and Breaktimes
These timings are in line with legal requirements.

Absences

Your child's education is important and valuable time at school should not be missed. Please contact the school if your child is going to be absent from school. The school operates an early response system whereby if your child is not in school by 9.30am and you have not contacted us, we will contact you to find out why your child is absent. We also work closely with the Local Authority to support pupils with attendance problems.

Permission will not be given to take your child out of school for a holiday during term time and, in line with current legislation, parents who do so will be fined. Only in very exceptional circumstances will absences from school, other than for illness, be authorised. If your child has a significant period of time off through illness you may be asked to provide a doctor's note.

School Uniform

Uniform helps children to feel part of the school and creates a pride in their appearance, their work and their school. The uniform is kept as simple as possible to enable parents to `shop around'. Sweatshirts, polo-shirts, book bags, PE bags and coats with the school logo on are available from Bang Bang School Uniform shop or our recommendation - TOP ONE UNIFORMS (opposite bus station)

We encourage all our children to wear school uniform:

Grey or black trousers, skirt or pinafore

Light blue polo shirt and a navy school sweat shirt

Black shoes (high heels and platforms are seen as a hazard under the school's health and safety policy and therefore not allowed).

For Summer:

Blue and white gingham dress

Grey shorts

PE Kit

Dark / navy blue shorts or P E skirts

Team colour T-shirt *(we provide the first PE top for children)*

Navy Joggers

Navy Hoodie

A pair of black plimsolls *(to keep in school)*

Children now come to school in their PE kits on their PE days.

Training shoes **are not** allowed for PE lessons in the hall as they stop the children gripping on the apparatus and can cause accidents. For reasons of safety and security jewellery is not to be worn for school.

Simple stud earrings may be worn but must be removed for P E. or must be covered with a plaster supplied from home, if recently pierced. Please make sure that younger children do not wear their earrings on PE days as staff are not allowed to remove them.

Junior children will have the opportunity to play football or other outdoor games during the autumn and spring terms and will need suitable footwear. When the weather is cold the children will need warm clothing, if possible a tracksuit.

Lost Property

Each term we have dozens of items of lost property that we cannot identify.

PLEASE WRITE YOUR CHILD'S NAME ON ALL ITEMS OF CLOTHING BROUGHT TO SCHOOL.

The Curriculum

Organisation

During the day children are taught in various ways, as a class, in small groups or on an individual basis. We treat our children as individuals and prepare the work at an appropriate level to allow each child to develop and progress at their own rate.

Curriculum

Pool House offers a full and varied curriculum which incorporates the requirements of the National Curriculum in the core, foundation subjects and Religious Education. Details of the National Curriculum guidelines are available in school.

Pupils follow appropriate programmes of study to learn and practice the required skills through subject and topic work. The children are assessed regularly so that the class teacher is able to monitor improvements. The school works hard to promote equality of opportunity in education.

We teach the following lessons -

English -

English is divided into three areas of learning

1. *Speaking and listening.*
2. *Reading*
3. *Writing.*

Phonics

Mathematics

Science

Design and Technology

Information and Communication Technology (ICT)

History

Physical Education (PE)

Geography

Art

Music

Religious Education and Collective Worship (RE)

PSHCE

Sex and Relationships Education.

Provision for Gifted, Talented and Able

Provision for our Gifted, Talented and Able cohort is the responsibility of the classroom teacher who will ensure there are additional learning opportunities and that challenges are provided for individual children in order to meet their needs. These pupils may be identified in a range of different areas, they may be gifted artists or musicians, talented athletes or gymnasts or very able mathematicians or scientists.

Whatever their area of particular strength we will do our best to support them either in school through targeted curriculum time or alternatively we will do our best to look for outside provision to meet individual needs.

Special Educational Needs

We aim to cater for the needs of every child in the school. Some children require special help in certain areas. We have a special educational needs and disabilities co-ordinator (SENDCO), currently Miss Ellison, who works with the class teachers to identify and help to cater for these individual needs.

Each child who is identified as having special needs has an Individual Education Programme, developed to address those needs. This is regularly reviewed. Help can be given in a number of ways including adapting work for a particular child, providing additional teacher time, support in the classroom or withdrawing children to work in a small group for part of the time.

As well as our class teachers the school employs a wide range of support staff to work in class. We also liaise with outside agencies such as the Educational Psychological Service and the School's Medical Services to help us to identify and deal with particular needs.

Educational psychologists are applied psychologists working both within the educational system and in the community. They are skilled in the use of a range of psychological and educational assessment and intervention techniques.

If you feel that your child has a particular problem, please tell us about it and we will try our very best to address that need, or support you in seeking outside help.

Behaviour Policy

At Pool House School good behaviour and discipline have a high priority as they are essential if children are to learn. We believe that good discipline is best achieved when children develop self-discipline and respect for others and we encourage this by emphasising and praising good behaviour.

We have a set of simple rules to encourage the children to behave well.

- Follow directions
- Observe quiet times
- Keep hands feet and objects to myself
- Talk politely
- Don't interfere

We focus on encouraging the children to make the right choices for themselves.

Rewarding Good Behaviour

We reward good behaviour in a number of ways including awarding certificates and team points in our Merit Assemblies, golden times, letters home and other appropriate rewards.

What if my child has a problem?

Most of the time our children behave well. When there are issues the children are dealt with firmly but fairly. Parents are involved at an early stage and we welcome your support in dealing with behaviour problems.

If staff become aware of, or have a need to become involved in, situations where a child may be at risk of hurting themselves or others, or if the behaviour of a child seriously disrupts good order in the school or causes damage to property, staff may need to intervene physically. In such circumstances staff will follow the school's policy for dealing with such situations. Any parent wishing to view this policy may do so on request.

If you have any concerns please speak to your child's class teacher, or if problems continue, please speak to the Headteacher, Deputy Headteacher or the Assistant Headteacher.

Bullying

We consider bullying to be a very serious matter and deal with it promptly whenever it arises. We have a policy for dealing with bullying, and a senior member of staff will be responsible for making sure that our response is swift and consistent.

Health and Wellbeing

We do not normally administer medicines of any kind in school. However, we will help your child to take prescribed medication provided that a letter of request is filled in, authorising us to give the medicine with a clear indication of the amount to be given. We do not give medicines that have been bought at the chemists, without prescription.

If your child suffers from asthma, please discuss with your child's teacher or the Headteacher the best way to manage the condition.

If your child begins to feel unwell at school, we shall try to make him/ her comfortable until we are able to contact you. It is important that you tell us if you change address, telephone number or the person who is an emergency contact so that we can reach you as soon as possible. If your contact number is a mobile number please keep it on during school hours. Delays in contacting someone causes extra anxiety for an ill child.

Please remember- if your child is unable to attend school because of illness, a telephone call will assure us that the absence is unavoidable. We will contact parents on the first day of a pupils' absence if you haven't contacted us, however we would prefer that staff time is spent educating our pupils.

Health in School

At key points in your child's schooling all the children are given routine hearing and vision screening. You will be informed of these visits and we will seek your permission for your child to have these tests. You will not normally be invited to these, but you will be notified of any problems. Your child may also be offered the 'nasal' flu vaccine but again your permission will be sought before your child is administered with this.

Child Protection

We are required, as part of the Local Child Protection Procedures to report any concerns to Children's Social Care where it appears that a child may have been abused either mentally or physically. Any concerns would normally have been discussed with a parent prior to contacting an outside agency.

If you have concerns about another pupil's welfare outside of school, you must contact Children's Social Care yourselves. We cannot report other peoples' concerns.

FOOD IN SCHOOL

Full Meals

Hot meals are available for Infant and Junior children. These are prepared and cooked on the premises and are supervised by a team of welfare assistants. The cost of a school lunch is £3.00 per day.

Dinner money should be sent or taken to the school office. Please remember to secure and label any money sent to school. If you think you may be entitled to free school meals, either contact the District Education Office to receive the necessary forms or speak to Mrs Jones the Office Manager in school. Dinner money can now also be paid on ParentPay

All Key stage 1 pupils are entitled to free school meals under the government scheme.

Packed Lunches

If your child prefers to eat sandwiches at lunchtime, s/he may bring a packed lunch. For safety reasons please do not send glass bottles or flasks of hot liquids. Please label lunch boxes. In line with the national Healthy School Policy please do not include fizzy drinks, sweets or bars of chocolate in your child's packed lunch.

We ask that you give a week's notice if possible if you wish to change types of lunch.

Milk

Milk is available to all infant children for mid-morning break at a cost of £45 per year, however if you are eligible for free school meals your child can receive free milk. If your child does not drink milk, water will be given as an alternative.

Fruit

The school is part of the government scheme which provides free fruit for all Key Stage 1 children. We have found that most children will eat the fruit here which is of benefit to their health and encourages them to eat more out of school as well.

Playtime

Infant and Junior children can bring a 'healthy' snack in for break time

Breakfast Club

The school runs a Breakfast Club from 8a.m. until 8.45a.m. where the children can come and have a good breakfast and then have the opportunity to chat, play or practice spelling and tables. The children who come enjoy a calm and relaxed start to their day. The cost per session is £2

Afterschool Club

The school runs an Afterschool Club from 3.15pm until 5.30pm where the children will receive a snack and have the opportunity to chat, play or practise spellings and tables. The cost per session is £6 or £8, depending on session times.

Friday Treat

Children can bring a drink of their choice on Friday's for lunchtime, this can be any drink that is suitable (No energy drinks and no cans please)

Sporting Activities

In addition to being an important part of the National Curriculum, all forms of Physical Education can enrich the lives of pupils by enabling participation in, or appreciation of sports, both in school and in the community. We believe that this is one way in which the school contributes to community, educational, recreational and cultural life.

Children at Pool House will receive a balanced programme of the different activity areas prescribed within the National Curriculum.

We provide extensive sporting opportunities outside normal school hours, including:

Football
Netball
Cross-country
Swimming
Athletics
Tag-rugby
Tennis
Gymnastics
Rounders
Gardening

As items of jewellery have proved to be a danger in P.E. and swimming, they **must not** be worn in these lessons, (where children have newly pierced ears and studs are being worn, they are asked to bring tape from home to cover the ear lobe.)

Children with newly pierced ears will not be allowed to take part in swimming lessons.

Educational Visits

Educational visits play a part in the school's curriculum and are a feature of our school life. You are invited to support these visits by contributions towards the cost.

Our EVC Co-ordinator is Mr Mearns who will ensure all risk assessments and other documentation are carried out and completed before a trip goes ahead.

Charging Policy

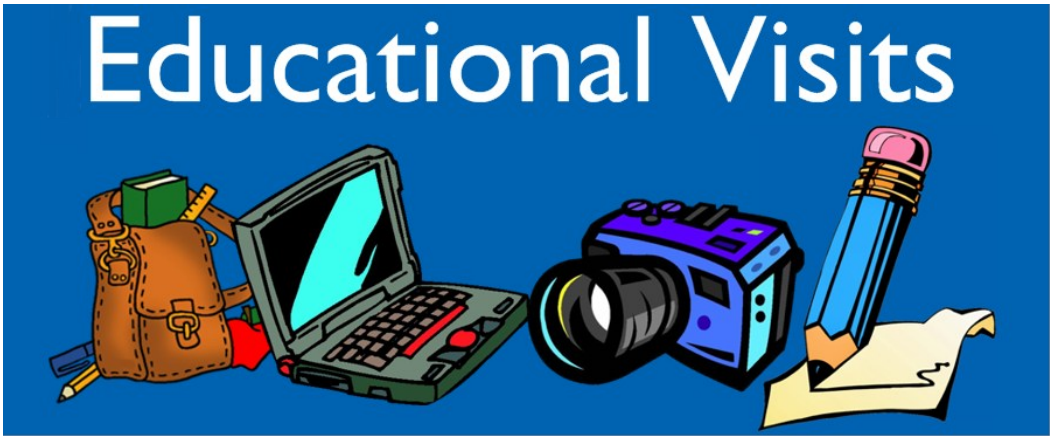

The Governors' Charging Policy is in line with that recommended by the Local Authority in that they will not subsidise the cost of these visits. If voluntary contributions fail to meet the expenditure then the educational experience may have to be cancelled.

Occasionally trips are arranged just for fun with no direct educational link and only those wishing to pay for these trips will be included on them.

Exclusions

It is the school's policy that children whose behaviour is unacceptable in school will not be allowed to go on school trips.

The Headteacher will make the final decision as to whether a child is to be excluded from a trip and will inform the child's parents.

PARENTAL INVOLVEMENT

Your child will work best if he or she knows that school and home are giving the same messages. For this reason we need to work towards building close links. We value your views as parents and encourage you to join in the life of the school. If there are any problems we will involve you at an early stage and your support plays a major part in our success as a school. Should you have any problems or concerns then please speak with a member of staff at an early stage, Social Media is not a place to air grievances regarding school and this can hinder or delay any issues.

It is important for you to know what is happening in school, and for us to know how to contact you. We will communicate with you in a number of ways.

- Before children start in the reception class we invite you into school to take part in our induction programme.

When your child starts school we ask you to complete a standard form to give us information about your child and how we can contact you.

If your child is taken ill or has an accident while in school, you will want to be contacted as soon as possible. For this reason it is essential that we always have up to date information regarding addresses, telephone numbers etc. Please keep us informed of any changes.

- You are most welcome to come and see the teachers. Staff are normally available before and after school, but please remember that staff may need notice if the discussion will take some time. The Headteacher is also happy to talk to parents.

- We arrange parents' evenings twice a year to give you the opportunity to discuss your child's progress. These normally take place in the autumn and spring terms.

- A written report will be sent to you towards the end of the summer term and you will have opportunity to discuss this with your child's teacher.

- We will contact you if we are concerned about your child in any way.

- Throughout the year you may be invited to parents sessions to practice a variety of skills and activities to help your child learn more effectively.

- If you wish to come into school to support the children you are very welcome. Please speak to your child's class teacher. You can help support art, sport, D&T, maths games : it doesn't have to be reading!

Pool House Community Primary School PTFA

Chair - Mrs Chantelle Bradley - *School Staff*
Vice Chair - Mrs Karyn O'Keefe- *Parent*
Treasurer - Mrs C Schepens - *Parent & Staff*
Secretary - Mr A Parkinson - *Parent & Staff*
Kidsgrove, Tanterton, Ingol, Preston, PR2 7BX
Tel: 01772 732628 Fax: 01772734632
Email - PTFA@poolhouse.lancs.sch.uk

The PTFA was set up in October 2017. We organise special events throughout the year to fundraise for school - our main aim is to provide extra little things for the children. We are very welcoming and friendly and always appreciate welcoming new members.

We try to meet at least once a term but it does vary depending on upcoming plans, we also have a whatsapp group where discussions take place about events and plans, this is really helpful as people who can't make meetings are kept in touch with what's going on and can still offer suggestions or help.

Meetings are advertised on Facebook and our Newsletter - alternatively, have a chat with a current member and come along with them, see what we do and if you could help.

What have we done in the last few year's

Slush Machine - this was so we have a regular income into school towards PTFA funds, it has generated enough money to pay for itself and is still going strong. Slush is sold on Friday's when the weather is nice, usually from the side of school near Nursery entrance.

Bouncy castles purchased - We used to rent bouncy castles quite often and then got an opportunity to buy one, so we got 2!

Funded Pantomime trips - We have helped school take the children to see pantomimes, something that may not have happened without us!

Virtual Horse Race Nights (Adults only event) - These are BRILLIANT, virtual horse racing and drinking alcohol in school, all for a good cause! What a great way to raise money!

Leavers Hoodies - We've taken it as our job to provide the Leavers hoodies each year, the kids love these and they're a lovely memory for them

Firework and Bonfire Night - One of our most popular events, not just open to Pool House parents and children, a great community event.

Christmas and Summer Fair - Fun, games, stalls.. and Santa!

We sometimes help out at any school events, like Parents Evening, we also sometimes help to staff School Trips etc

THE GOVERNING BODY

The Governing Body of Pool House C.P. School is currently made up of the following people:

Name	Type
Mr R Stewart	Chair
Mr J. Catlow	Vice chair
Mr D. Bamber	Co-opted
Miss D. Bryson	Parent
Mr H. Duckworth	Parent
Mrs S. Parkinson	Observer
Mrs K. Guise	Co-opted
Miss R. Wallace	Co-opted
Mr T Hesketh	Co-opted
Miss S Stone	Co-opted
Mrs J. Cole	Headteacher
Mr P. Mearns	Observer

We are always happy to welcome new members on to the governing body. If this is something you would be interested in please contact the Headteacher.

Pool House is a Community School maintained by the Lancashire Education Authority based at County Hall in Preston.

COMPLAINTS PROCEDURE

Governors will adopt procedures agreed by the Local Education Authority should all informal procedures fail. If you have any concerns, please contact the Headteacher in the first instance. (Arranging a meeting with the Headteacher to discuss the matters of educational concern or the wellbeing of the child is considered an informal procedure)
